

Rise to Shine Education Foundation (RTSEF) Scholarship Application for 2024 school year

Sending in an application does not guarantee scholarship award. Scholarship award depends on the number of sponsors willing to fund these scholarships and the level of school fees. We always have more requests than scholarships available.

Please note that we can support orphans, partial orphans, children and families with special needs but can only offer a maximum of 2 scholarships per family. This way we're able to support a greater number of families.
